MEMORANDUM FOR: NFAC Security Officer
FROM : Chief, Cartography Division/OGCR
SUBJECT : Visit of Virginia Polytechnic Institute and
State University (Blacksburg, Va.)

1. Dr. Justin C. Friberg, Assistant Professor of Geography at Virginia Polytechnic Institute, has requested a tour of the Cartography Division, OGCR, for himself and 10 students on 5 May 1978 from 0930-1200. The tour will be unclassified and will cover general cartographic research, compilation, construction and computer-assisted cartography. The students will be limited to certain areas of the Division to ensure no contact with classified material.

2. A list of students giving birthdate, birthplace and citizenship is attached. Arrangements should be made with the Office of Security to have VIP parking and Conference badges available for the group on arrival to save time and avoid confusion.

3. Questions concerning the students or the tour should be directed to [REDACTED] - x6101.
